Runaway Bride

Directed by Garry Marshall, this is a romantic comedy. It is set in a small town in America. The film is about a woman who is afraid of getting married. Julia Roberts plays Maggie Carpenter, the woman who has run away from three of her own weddings.

Ike Graham, a reporter, first meets Maggie when he goes to talk to her because he wants to write an article about her. He makes friends with all her friends and family, and eventually, he and Maggie fall in love. However, Maggie runs away from their wedding and breaks Ike's heart.

The actors in the film, especially Richard Gere and Julia Roberts, are excellent. The film is full of funny and amusing moments. Furthermore, it has an emotional ending.
