The Mary Celeste, often referred to as the ghost ship, is one of the greatest maritime mysteries of all time. Built in Nova Scotia in 1861, the ship was known for its size and speed.

_____ **1** _____

In November 1872, the Mary Celeste set sail from New York bound for Italy. She was manned by a crew of eight, along with the ship's captain, his wife, and their two-year-old daughter.

_____ **2** _____ The ship was loaded with industrial alcohol, a common cargo at the time.

On December 4, 1872, the Mary Celeste was found adrift off the coast of Portugal. There were no signs of struggle, the cargo was intact, and the crew's personal belongings were still in place.

_____ **3** _____ Yet, there was no sign of the captain, his family, or the crew. Where had they gone? Had they abandoned ship in a hurry due to some catastrophe? Had something awful happened to them? Had they been kidnapped? Had they fallen overboard?

Over the years, various theories have been proposed to explain the ship's fate, from piracy to natural disasters. _____ **4** _____ However, the true reason behind the disappearance of the Mary Celeste's crew remains a mystery.

Today, the story of the Mary Celeste continues to captivate the public imagination.
